Internal Individual Sales Rep: Health Plan of Nevada (HPN)/Sierra Health and Life (SHL) pays compensation to licensed professionals contracted and appointed with our company when they sell HPN/SHL Medical products. This compensation is typically a portion of the plan premium and recognizes the licensed professionals services rendered. The plan's premium is the same regardless if a licensed professional is used to apply for and purchase the plan. Per the Consolidated Appropriations Act of 2020, you are being informed of the compensation paid for the sale of this plan, which is up to \$3.33 per month for a 12-month period. The compensation paid may be paid directly to the licensed professional or to a licensed entity with which the licensed professional is employed or affiliated. Additional compensation may be paid later if the licensed professional and/or their agency meets certain criteria in the future and your plan is a part of the calculation of whether such criteria is met. This possibility could effectively result in an increase of the overall compensation earned for the sale of this product but is unknown at this time.
